

## BLOCK 3 SUNSHINE FAN

This month's block is a paper pieced block with a hint of string piecing.

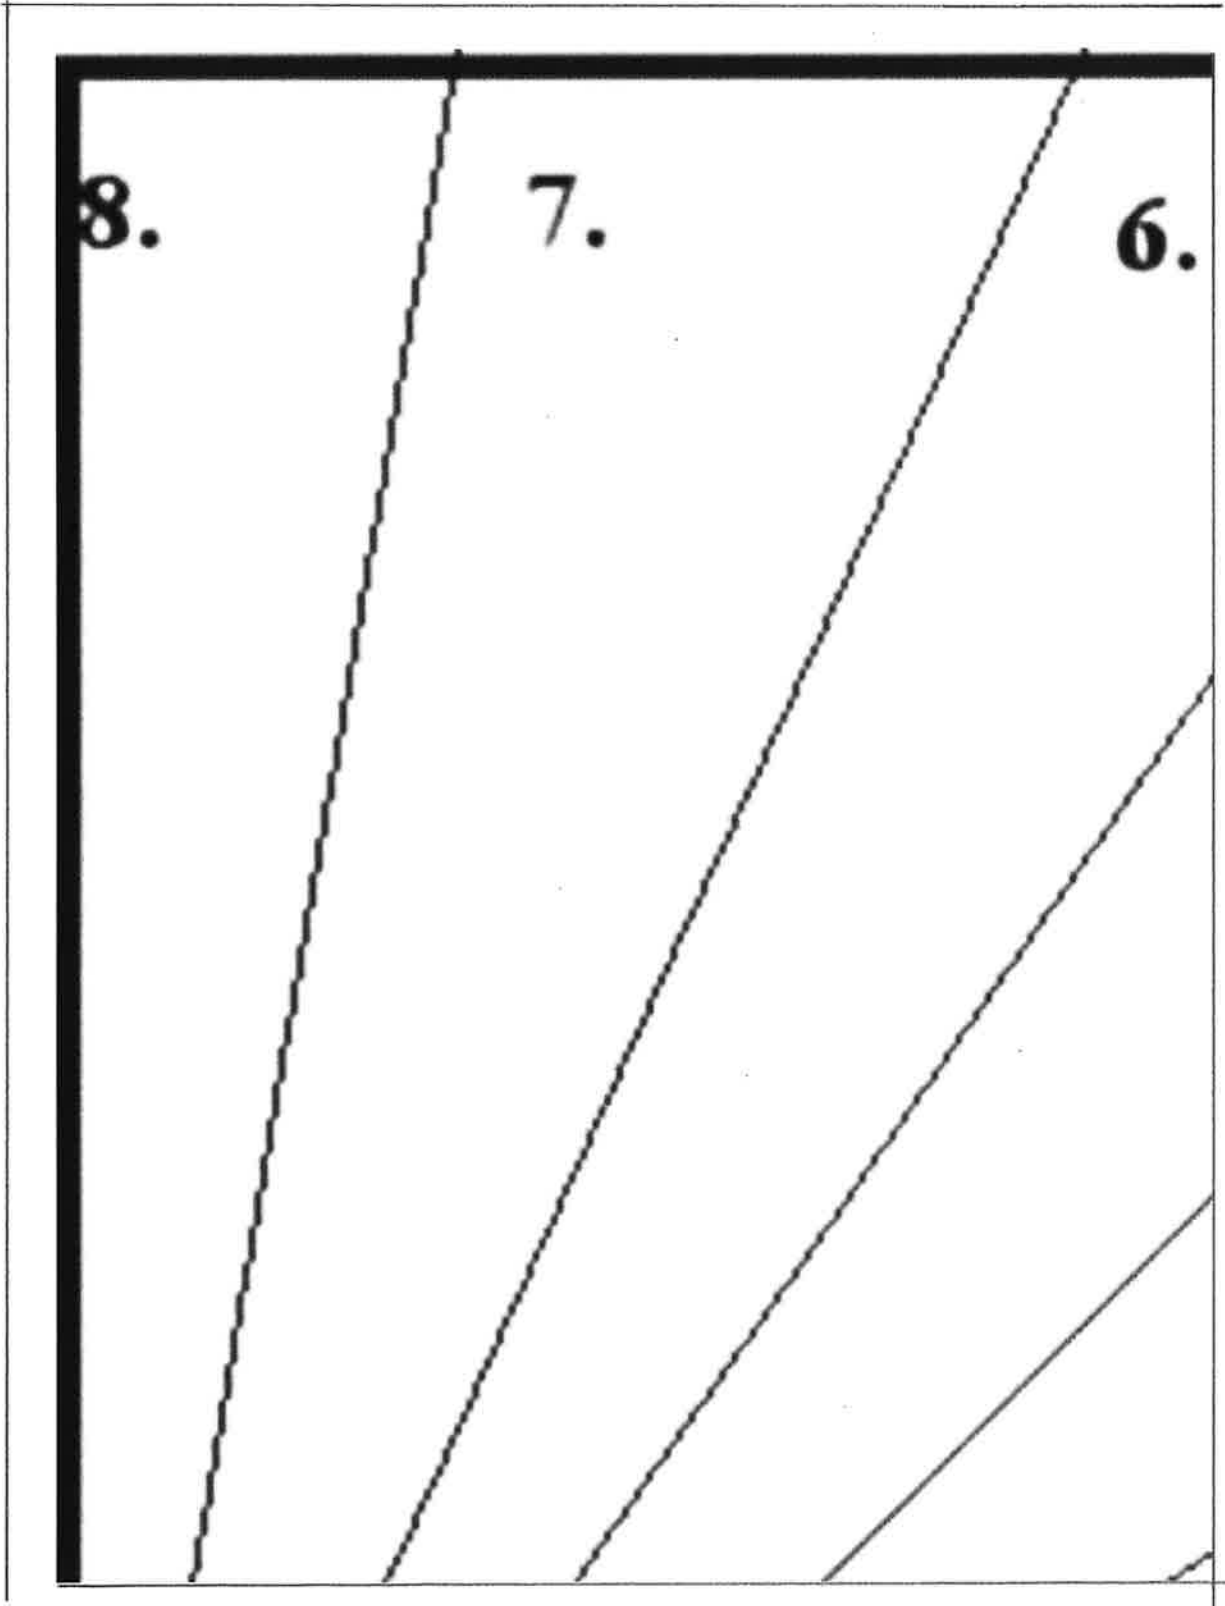

The pattern will print in 4 pages and must be taped together to get the **12.5 inch unfinished** block. Use the picture above for the proper order of the pattern pages.

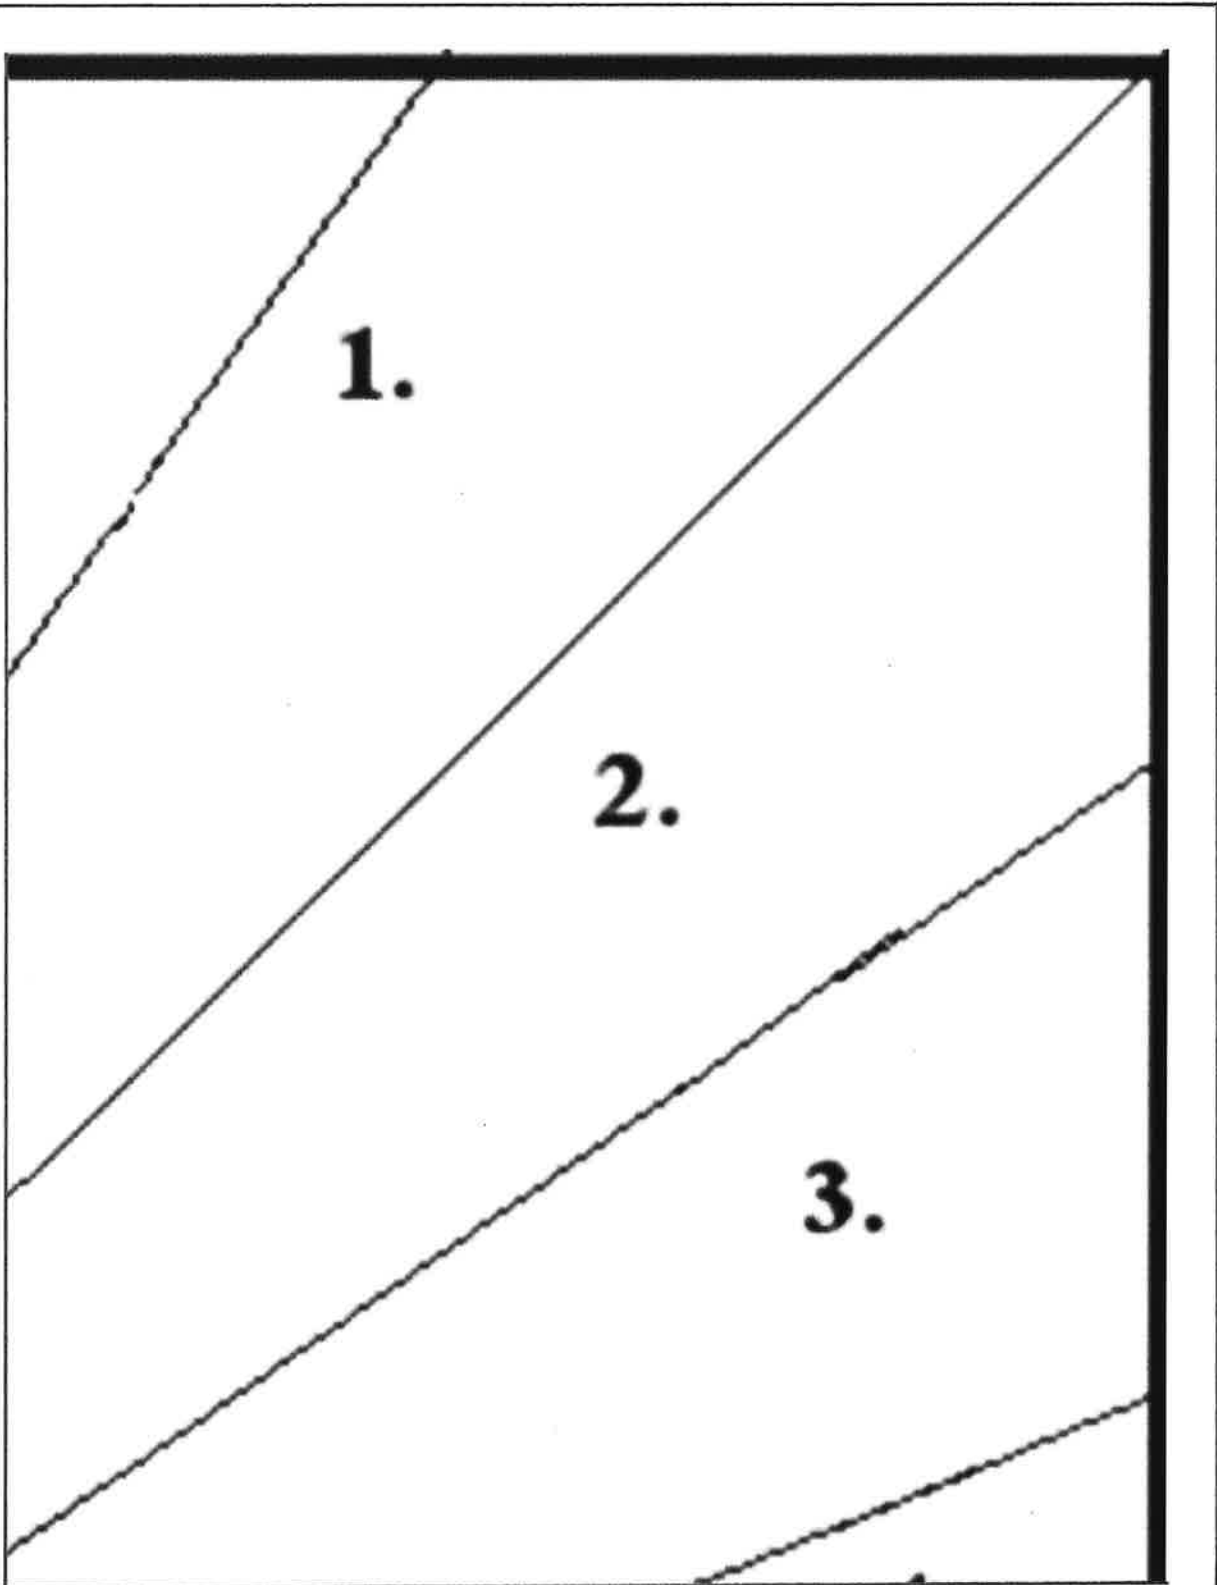

The narrow black lines on the inside edge of each pattern piece are where the pattern pieces must match up. Remember the basic block is 12 inches. Don't worry about the heavy black lines being a smidge beyond 12 inches. This will take care of itself when you trim the final block.

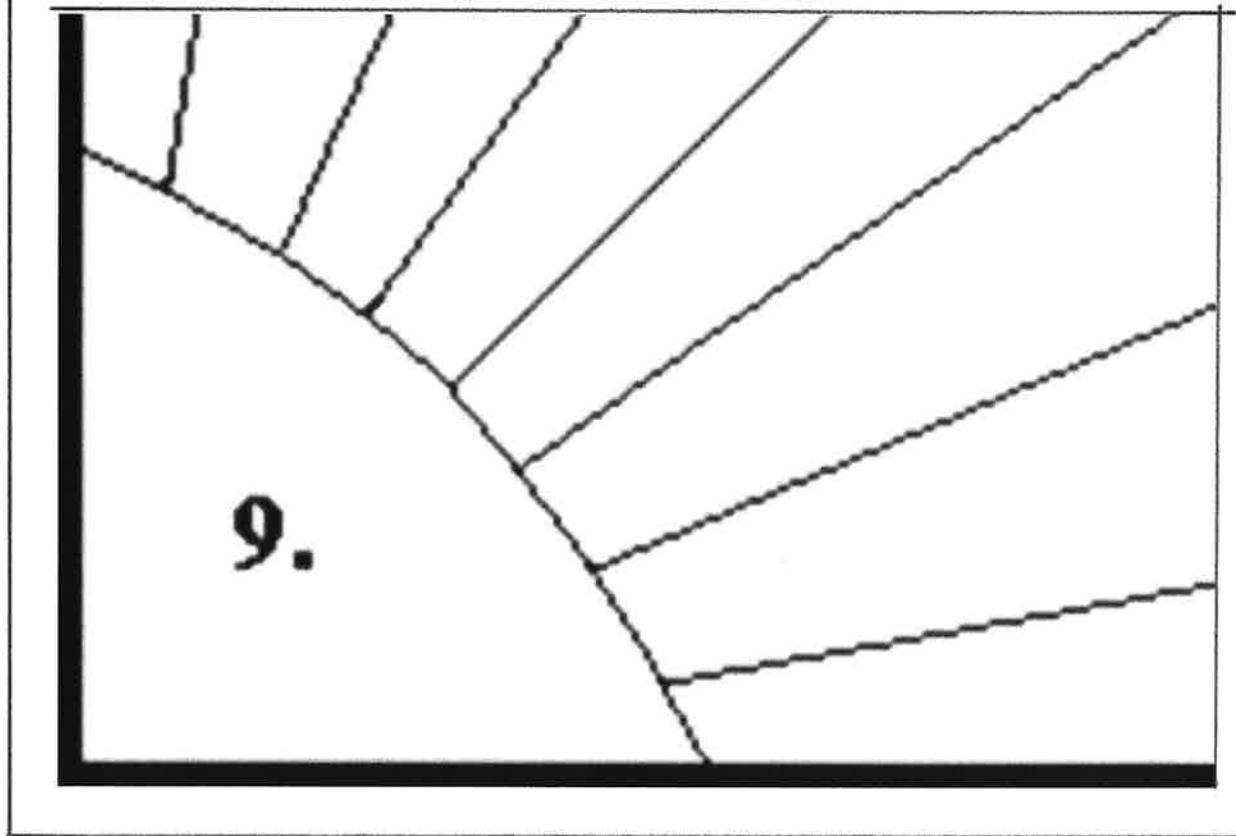

The narrow lines on the outside edge of each pattern piece are the  $\frac{1}{4}$  inch seam allowance.

Piece the fan blades in the order numbered. Remember to let the fabric extend over the arch seam line so that you can stitch or appliqué the base to the finished fan blades.

Trim the block to 12.5 inches.
